

MATHESH K

Front-End Web Developer | BCA Student

+91 8610481578 | mathessz2006@gmail.com | linkedin.com/in/mathesh-k-dev | mathessz2006.github.io

PROFESSIONAL SUMMARY

Motivated BCA student from St. Joseph's College with hands-on experience in front-end web development. Completed an internship at Codebind Technologies where I built responsive websites using HTML5, CSS3, and Bootstrap. Passionate about crafting clean, user-friendly interfaces and eager to contribute to a product team as a junior developer.

EDUCATION

Bachelor of Computer Applications (BCA)

Graduation: 2026

St. Joseph's College (Autonomous), Trichy – 620 002

TECHNICAL SKILLS

Web Technologies

HTML5, CSS3,
Bootstrap, JavaScript,
React.js

Programming

Python (basics, functions,
loops)

Database

MongoDB, SQL basics

Tools

VS Code, Git, GitHub

PROFESSIONAL EXPERIENCE

Web Development Intern — Codebind Technologies

May 2025 – June 2025

- Developed responsive web pages using HTML5, CSS3, and Bootstrap, ensuring compatibility across mobile and desktop devices.
- Built a personal portfolio website from scratch, applying UI best practices and responsive layout principles.
- Collaborated with the development team to debug and improve existing web components.
- Gained practical experience with VS Code workflows and browser developer tools for live testing.

PROJECTS

Birthday Reminder WebApp (Self Project)

React.js · Firebase · GitHub Pages

Built a full-stack web app with Firebase authentication, Firestore database, and Email/SMS reminders with 1–30 days advanced scheduling. Designed a dashboard with search, filter, sort, and upcoming birthday views, deployed on GitHub Pages.

Live Link: <https://mathessz2006.github.io/birthday-remind/>

E-Learning Management System (College Project)

HTML · CSS · JavaScript · PHP · MySQL

A web-based application designed to support online education and digital learning environments. The system provides a centralized platform where administrators, instructors, and students can interact effectively to manage courses, learning materials, and assessments.

CERTIFICATIONS & ACHIEVEMENTS

- First Class with Distinction – Junior Grade English Typewriting
- Hackathon Participant – Full-Stack Web Suite at V Dart

ADDITIONAL INFORMATION

Languages

English, Tamil
